To whom it may concern

I write to you in the highest regard for Ms. Muna Oli, who has left an indelible mark on our organization, Manavsewa Ashram, due to her dedication, professionalism, and technical prowess. She served voluntarily as a part-time medical person at ashram from June 21, 2021 to June 15, 2023. She used to take care of the peoples at ashram. Besides this she used to be always ready for any job that was needed at ashram. It was her resilience, determination, and commitment that helped to treat the peoples taking shelter at Ashram.

Manavsewa Ashram is a purely non-profit charitable social organization that has been doing rescue of forced people to live miserable lives in the open sky street-banks and public places and treatment, fostering, family reunification for those who have families, and sustainable management of those who have no family since 2012 AD.

In light of her exceptional performance and dedication to our cause, we whole heartedly recommend Ms. Muna Oli for any work she seeks to undertake. We firmly believe that her professional skills, combined with her passionate dedication to helping others, will ensure her success in future endeavors. Our organization is deeply grateful for her contributions and looks forward to witnessing the remarkable achievements that will undoubtedly mark her path forward.

Thank you for considering our recommendation.

Sincerely,

Hiru Joshi
